

# Continental Generators

## From Johannesburg

- Take the N1 in a western direction,
- Take the N12 turn-off towards Potchefstroom/Kimberley,
- Continue on N12 straight through Potchefstroom & through Stillfontein,
- Continue on N12 straight through Klerksdorp,
- Turn right on the R503 towards Hartbeesfontein (this is the first road after the robot at TUSK),
- Go straight for about 25km,
- Cross the 4 way stop (Coligny Road),
- Go straight until the road becomes a gravel road,
- Take the first gravel road right,

Welcome - You have arrived at Continental Generators
